Section 328.05, Florida Statutes, and Section 319.33, Florida Statutes, provides that whoever knowingly makes a false statement in any application or affidavit required under the provisions of such Chapter, or in a bill of sale or sworn statement of ownership, or otherwise commit a fraud in any application, is guilty of a felony of the third degree, punishable as provided in s.775.082, 775.083, and 775.084.

If a power of attorney is used and the individual appointed as the attorney-in-fact will be completing the odometer disclosure statement as the buyer only or the seller only, this non-secure power of attorney form can be used. This form can not be used to allow an individual or entity to sign as both buyer and seller confirming the Federal odometer reading. This may be accomplished only with the secure power of attorney (HSMV 82995) when:

(a) the title is physically being held by the lienholder; or
(b) the title is lost

CAUTION: A seller cannot give a dealer or his employee a non-secure power of attorney (HSMV 82053) and have him or one of his employees sign a federal odometer statement, confirming the mileage for both buyer and seller, as a dealer and his employees are considered a single entity.
