

Americans with Disabilities Act (ADA)

The Taylor County Tax Collector's Office (TCTCO) is committed to making our website accessible to all audiences. We recognize the importance of and ADA accessible web environment for our users to help ensure that as broad a population as possible may access and benefit from our services. For web content published by our office, it is our goal to comply with WCAG 2.1 level A and AA success criteria by the end of year 2024. We are actively working to increase the accessibility and usability of our website and in doing so adhere to many of the available standards and guidelines.

The ADA does not require the TCTCO to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Thank you for visiting our website. Your feedback is important to us. If at any time, you experience difficulty in accessing the TCTCO website or if you have an accessibility related comment or questions, please contact us as noted below. We will make your request a top priority.
